

CACTUS SPRAYER

FULL

MATERIALS

STAINLESS STEEL
ACRYLIC

PAINT

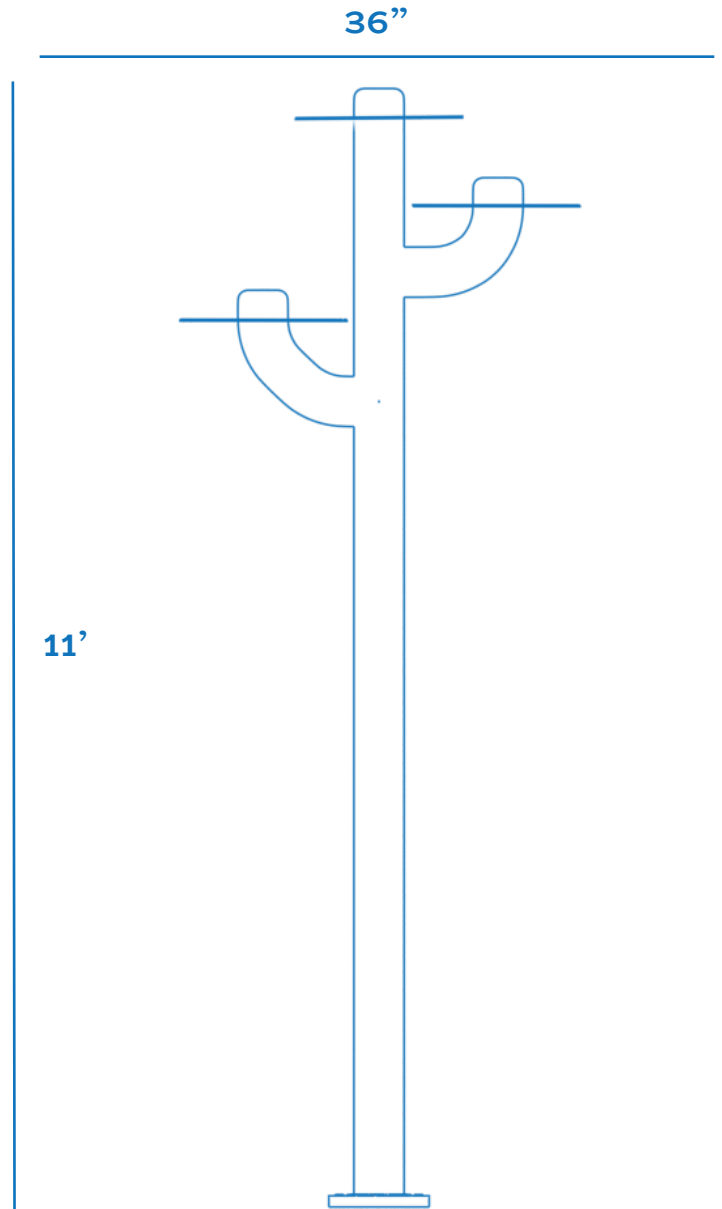

HIGH GLOSS
UV TREATED

POUNDS PER SQUARE INCH
MINIMUM 20 PSI

WATER USAGE

10-50 GPM

CACTUS SPRAYERS can stand over 7 feet tall and disperse a fair amount of water. These Cactus Sprayers are a great water play feature to add to any splash pad. Not just because of their function but also for their look. This will add some personality to any splash pad and will look great beside our other water play features as well. We highly recommend this along with our dumping buckets and fire hydrants.
