

FLOWER SHOWERS

SINGLE

MATERIALS
STAINLESS STEEL
ACRYLICS

PAINT
HIGH GLOSS
UV TREATED

POUNDS PER SQUARE INCH
MINIMUM 5 PSI

WATER USAGE
10-40 GPM

Unlike our dumping buckets, these FLOWER SHOWERS are a great way to refresh yourself without the onslaught of water encompassing your body. They are a delightful feature to add to any splash pad built by us because they are calm and collective. Flower Showers are fun features because of the ability to mix and match the numerous colors. Black and yellow, green and blue, purple and red, are just to name a few that you can pick from. Our Flower Showers are some of the best features to add to your water play features because they add the small contrast of usability than our different other options.
